

Build Center Privilege Account Scheme

Guidance Notes

1. Aim

The Build Center Privilege Account Scheme aims to help cricket clubs make improvements to their facilities and grounds.

2. How does the Scheme work?

2.1 Build Center will issue up to 900 privilege Accounts (**Accounts**) to NatWest CricketForce 2012 registered clubs (**Clubs**) on a first come first served basis (with no more than one Account available per club).

2.2 Each of the Accounts will be provided with £400 pre-loaded credit to spend in Build Center stores (see www.buildcenter.co.uk for product range).

2.3 To activate an Account a cricket club must pay £100 up front; this is non-refundable. This will give a total account of £500 to spend.

2.4 Build Center will add value to the Account by providing additional discounts / preferential rates on selected products (this varies regionally and can be discussed with the Build Center branch manager).

2.5 Once the money in the Account has been spent, the Account will become a Cash Account whereby a club can continue to purchase Build Center products with the same terms as before by paying in cash up front.

3. Eligible Applicants

3.1 Any ECB affiliated cricket club registered for NatWest CricketForce 2012 can apply for this Scheme.

3.2 Accounts must only be used for the purposes of improving a club's facilities as part of its NatWest CricketForce project.

3.3 Cricket clubs can apply for only one Account.

3.4 Successful Clubs will not be able to apply for another Account in the following year's scheme.

4. When does the Build Center Privilege Account Scheme open and close?

4.1 This fund will open to applications on 27 February 2012.

4.2 This fund will close to applications on 18 May 2012 or upon the date that all 900 Accounts have been awarded.

5. The Application Process

5.1 The application is via an online form at www.ecb.co.uk/buildcenteraccount.

5.2 Each applicant Club will be checked by ECB to verify registration in NatWest CricketForce 2012.

5.3 ECB will send the details of successful Clubs to Build Center to enable Build Center to contact the Club and set up the account. In completing the application, each Club consents to the ECB providing this information to Build Center.

5.4 Unsuccessful Clubs will not be notified by either ECB or Build Center.

6. What happens if the applicant is successful?

6.1 Build Center will send out a welcome pack to each successful Club including:

- Account details;
- Information on how to activate the Account (including how the payment of the £100 must be made);
- Contact details of local Build Center store and Account Manager; and
- Information on how to use the account

6.2 Successful applicants may be required to complete a NatWest CricketForce case study.

7. Activating and using an Account

7.1 Clubs must activate their Account no later than 18 August 2012.

7.2 Once an Account has been activated the cricket club has until 18 November 2012 to spend the money in their Account.

7.3 Funds from unactivated Accounts as well as unspent funds remaining in activated Accounts after 18 November 2012 will be reallocated to new clubs in the following NatWest CricketForce year.
